I started with my free sample approximately 1 month ago. I've ordered the acne cream and used it since. This product is great! I have fought acne for 20 years and this is the first (non-prescription) product I have found that works. I am ordering more cream and the lotion today. I've also ordered samples for friends. Thank you for helping those of us who struggle to control our acne.

## Thank You Mr Moon

Hi I'm Dan Winfrey and let me tell you. Acne is something I've struggled with for over five years. It started when I was eleven. just little "pimples" here and there, I never thought anything of it. I just washed my face in little more vigor (obviously). Then when I was twelve we moved Washington. I don't know it was the crazy. I started using those stingy cleansing pads but they didn't do any good. then I tried those double cleansing but they just irritated my face. After that was Noxema, which made my unblemished face soft but didn't effect the acne. This continued for a couple of years and then I finally went to the doctor. I actually let him inject cortazone into my face! He prescribed some Tetracycline and benzoi ID cream but there was no appreciable success. He said after a few months he'd try something else but was tired of experimenting. Everyone told me all kinds of things. Don't dry your face! use moisturizing soap! don't eat chocolate or oily foods! everything. Then one day I was picking up my check at mcdonald's and a local farmer Hong Suk Moon, stopped me and handed me a small container. he told me to spread a little over whole face everyday, it would clear it right up. Eager to try almost anything I started the next day. that little container lasted several weeks and the results were "Incredible". My face was almost completely cleared of pimples. I would recommend this to anyone whose tired of putting up with Acne, tired of trying product after useless product. or if Acne is just starting to pop up. please don't hesitate. I now have scarring all over my face from years of Acne and it's going to take thousands of dollars worth of surgery to get rid of it. Try it I'm sure you'll be happyit- I know I am

Letter Regarding Acne Cream

Dear Mr. Moon,

It is truly a source of pride that a Korean has developed such an effective product, bringing joy to those suffering from skin issues.

Although I have not been completely cured yet, after using the product for over a week, I can confidently say that it is more effective than any other treatment I have tried.

I have suffered from acne around my chin for a long time. I visited multiple doctors, took countless antibiotics, tried herbal medicine, and even received acupuncture treatments, but nothing worked.

I sincerely hope that "Omak Cream" will become a beacon of hope for acne sufferers like me. I apply it daily with a prayerful heart.

Once I am fully healed, I will treat you to a big meal and promote the product in my neighborhood!

I am unsure how to reorder once I run out—should I simply call you?

Sincerely,

Kim Hae-kyung (May 1, 1998)

I am impressed with your acne cream!! although I have only used it three days. i ordered some because I see a difference already! However it wasn't easy ordering this product,, I was unable to get a order through w/ the fax # given, and was unable to locate this under the product name "omak acne cream" however I did find your site under LOOMIS and filled out an order form for two orders of the acne cream. I really like this product, I have been going to dermatologists for 5 years without any improvement,,the products they use are very harsh and make my skin worse!! they are all harvard graduates, but I think you have something on them haha.. I just want to let you know ,where customers are supposed to put in their credit card number, the space is too small to fit the entire # ..?? Thanks again,, I think maybe there is hope after all!!

Hello, this is Ji-Hye, who purchased the lotion through Pastor Jin's recommendation.

I've been using the lotion you sent me, and it's been amazing!

My skin has improved a lot—now I mostly just have scars left, and I no longer get large pustules.

It has truly gotten much better. Thank you so much!

So, I'm emailing again because I'd like to purchase another one.

안녕하세요! 진옥사님께서 어드름연고 샘플 보내주신것 써보라고 주셔서 잘 쓰고있는 24살 김지혜라고합니다.

고등학교때도 어드름이 몇개씩은 나긴 했지만 이렇게 얼굴 전체로 다 퍼지긴 처음입니다..

이렇게 얼굴이 확 뒤집어(?)지기 시작한건 3월 초7 쯤 부터입니다.

처음엔 이마에 좀발어드름처럼 오물물뽀뽀한게 많이 생기더니 큰 염증이 한두개씩 생겨나기 시작하고

얼굴에도 큰 염증이 하나두개씩 생겼습니다(얼굴엔 좀발어드름이 안났습니다)

그래서 5월부터 피부과에 갔는데

병원에선 모공이 막혀서 안에 피지가 안나와서 그런것 같다고 레이저 염증치료를 했습니다

레이저로 뚫고 염증짜고 피지짜고..

이마는 그렇게 치료하니깐 말끔하게 없어졌습니다(처음엔..)

그래서 본격적으로 얼굴 염증치료를 했는데 없어지기는 커녕 점점 더 심해졌습니다..

없던곳까지 생기고 ...

그래서 병원에 말했더니 치료를 시작해서 피부 안에서 더 그러는거라고..

그말 말고 PDT도 해보고 다 해봤는데 별 차도 없고 아프기만 아프고 밖에도 나가지 못하고..

사진에 보시는것처럼 흉터만 잔뜩 남았습니다..

그래서 9월 말부터 치료를 중단하고 있는 상태입니다..

치료할때나 안할때나 별 차이도 없고 오히려 지금이 치료할때보다 덜 한것 같기도 하구요..

그런 참나에 진옥사님께서 제 얼굴을 보시고는 선생님연고를 써보라고 주셨습니다..

사실 반신반의로 몇번 발라봤는데

연고를 바르니까 바르부위가 좀 간지러웠었는데 그래도 몇번 발랐습니다..

그랬더니 어드름 부위가 할랑개만 되었는데 연고를 바르고나니까 거기서 피지가 노랑게 뭉쳐나와서 그것만 제가 면봉으로 살살살 해서 짜고있습니

다..

오른쪽 광대뺨쪽에 크게 곱은게 나왔는데 연고바르고 피지가나오면 짜고 소독하고 도 부어오르면 연고바르고 짜고 소독하고 그렇게 몇번 했더니 지금은

흉터만 좀 남고 깨끗하게 나왔습니다~

그렇게 발라서 피지가 올라오는게 있고 안올라오는것도 있긴하지만

인용되는 사진은 내부진 채 찍었습니다. 감사합니다.

어드름이 건들기만하면 바늘로 꼭 찌르는것 같이 아픈것도 나고,  
오줌도통하면서 약간 딱딱하게 간지럽게 나는것도 있고.(어린건 빨강진 않습니다)  
대부분은 빨강게 올라오고 이런건 대부분 언고를 바르면 피지가 속 올라옵니다 (너무 신기해요!!)

얼굴때문에 너무너무 스트레스받고있었는데 좋은 약 만들어주셔서 정말 감사합니다!!  
제 지금 현재 얼굴상태를 사진찍어서 첨부했으니깐 참고해서 봐 주세요~^^  
그럼.. 내일좀 진료사님께서 알려주신 선생님 번호로 전화하면 드릴께요~  
안녕하세요~^^

Hello,

My name is Ji-Hye Kim, I'm 24 years old, and I have been using the acne ointment sample that Pastor Jin recommended to me.

I had a few pimples in high school, but this is the first time my entire face has broken out so severely.

It started getting worse around early March. At first, small bumpy acne appeared on my forehead, and then large inflamed pimples started forming one by one on my face as well.

I went to a dermatologist in May, and they told me that my pores were clogged, preventing the sebum from coming out. They treated me with laser therapy.

At first, my forehead cleared up completely after that treatment, so I started full-scale treatment for the inflammation on my face.

However, instead of getting better, my condition worsened, and the acne spread to areas where I didn't originally have it.

When I told the clinic, they said that this was normal when starting treatment.

Believing them, I tried various treatments, but nothing really improved—it was painful, and I couldn't even go outside.

As you can see in the photos, I was left with a lot of scars.

So, I stopped treatment at the end of September. Whether I was receiving treatment or not, there was no noticeable difference, and in fact, it seemed worse.

During this time, Pastor Jin saw my face and recommended your ointment.

I was skeptical at first, but I tried using it a few times, and the areas where I applied it felt a little itchy.

Then, the sebum started coming out of my acne, and I would extract it manually.

There was a large, inflamed pimple on my right cheekbone, but after applying the ointment a few times, the sebum came out. I kept extracting it and applying the ointment, and now, there's only a small scar left—it has completely cleared up.

Even the pain I felt when touching my acne has disappeared.

Whenever I feel a pimple forming, I apply the ointment, and miraculously, the sebum comes to the surface.

I've been under a lot of stress because of my skin, so I really appreciate you making such an effective product.

I have attached photos of my current condition for your reference.

Thank you!

**Subject:** magic oil ORO

Thank you so much for the oil ORO. I would like to let you know the experience I had with your oil. The hospital where I work as RN your ORO is being called as moon's magic oil among my co workers. let me tell you one of nurse, her name is Angel W. had small abscess in her neck, got bigger and red looks very painful in a few days and need to have debridment by surgeon very soon, while we were working together I started put your oil on her abscess area three times for three days seems getting smaller and less painful then I was off for a few days. When I came to work saw her neck abscess almost gone, all of our co workers were so excited, most of us nurses have experience more than 20-40 years never seen like that before. While we work, we bang in to the here and there injures been taken care byOROoil ,back,shoulder, neck, ankle fingers and bruise, thats why we call that moon's magic oil.

I must tell you, after I had my shoulder surgery last november I was not able to move my bowel 7 days. I was in agony with constipation, my anus was torn and swollen with hemorrhoid and bleeding. I was desperate to do anything so I put ORO oil applied around my anus, guess what pain and bleeding was stopped almost immediately and my hemorrhoid was disappeared. One more thing I had pain in side of left ear and pain around my left side face on cheek bone a few days ago, I cleaned my left ear with ORO oil before I went to sleep, pain was gone in the morning.

I believe in this awesome your oil, I carry around all the time. I wish you all the success with ORO and became to aware to others so they can get help and better health. I can tell any body my experience with your oil, its magic. thanks again.

전화 잘 받았습니다. 이러한 놀라움수밖에 없는 소식은 눈으로 봐야만 믿어지겠죠?

선우가 어느새 고등학생이 되었지만 작은 아버지 약이 아니었다면..... 사회 생활이나 개인적 성격에도 문제가 미치지 않았을까 하는 생각도 듭니다. 요즘처럼 옷을 벗어야 되는 일이 많은 세대도 드물죠. 학교에서 수영을 하던지 Lacrosse 나 soccer를 하고 옷을 벗을수 없을정도가 된다면... 민감한 나이에 성격등에도 문제가 오지 않았을까요?

선우가 elementary school 에서 Jr. High 까지 .... 피부가 건조한거 같으면서 수영을 하면 (수영을 한참 배울나이였으니까... 주 2~3회는 했을겁니다) 피부에 울긋불긋 패치가 흉하게 생기면서 항상 남아있게 되었었습니다. 그래서, 수영을 하면 Vaseline 을 온 몸에 발라서 하곤 했었죠.

문제는 무의식중에 긁는 증상이 생기고 밤에 자면서 피가 날정도로 긁는 모습을 보는 부모의 마음은 .... 안타까움으로 시작을 해서 밤만 되면 온 몸에 세포가 일어서서 선우방을 향해서 있는 듯한 날의 지속이었습니다.

하지만, over the counter 제품은 아무리 설명이 좋고 브랜드가 좋아도 소용이 없었고, 피부과 의사는 너무 깨끗하니 더럽게 살라는? 농담식으로 물을 멀리 하라지만, prescription 은 스테로이드 성분이 있어서 어린나이에 사용을 삼가할수밖에 없었습니다.

이러한 생활은 아무리 시간이 많이 지나가도 습관화나 일상적이 될수가 없습니다. 정말이지 대신 아파줄수도 없는 상황이기도 하고요. 그런데 어느날 샤워를 하고 나와 보습을 하던중에 갑자기 작은 아버지가 보내주셔서 항상가지고 있던 비상 상비약이 생각이 들었죠. 무언가 기름 성분이 있으니 보습이 더 잘되리라는 막연한 생각에 온몸에 발라주었습니다. 정말이지 온몸에 기름이라도 부어주고 싶었죠.

그런데, 불과 몇일이 지나서 피부에 변화가 왔습니다.

아~ 아이가 밤에 긁지않고 잠을 잔다는게 부모에게는 말로 형용할수없는 평화스러운 마음을 깃들게 합니다. 작은 아버지가 그뒤에 lavender 향을 섞을것을 보내주셨는데, .... 그중에 2통도 다 쓰지않고 더 이상 신경이 쓰이지 않을 정도로 바뀌었습니다. 수년이 지난 지금은 피부가 건조한 기도 있고 수영을 하고 나면 여기 저기에 작은 반점등이 조금씩 생기지만 바로 없어집니다. 하지만, 더 이상 밤잠을 설치거나 마른 피부를 긁어서 손톱 자국과 피를 보는 일은 없습니다.

이러한 상상밖의 결과에 대해서 많은 사람들에게 이야기를 해주었지만, 선우 수영 선생님과 제 주변 사람들은 모두 저희가 겪었던일을 옆에서알고 있는 터라, witness 가 필요하시면 말씀해주세요.

감사합니다, 작은 아버지~

## A Letter from a Parent

Thank you for the phone call.

This news is so incredible that it has to be seen to be believed!

Sunwoo is now in high school, but if it weren't for Uncle's ointment... I worry about how this might have affected his social life and personality.

It's rare for young people today to avoid situations where they have to take off their shirts, whether it's for swimming, lacrosse, or soccer.

If his skin condition had made it impossible for him to do those activities, it could have seriously impacted his confidence at such a sensitive age.

From elementary school to junior high, Sunwoo's skin always seemed dry, and whenever he swam (which he did 2-3 times a week at that age), he would develop red patches that remained visible for a long time.

So, whenever he swam, we had to cover his entire body with Vaseline.

The real problem was that he would scratch his skin unconsciously, and at night, he would scratch so much that he bled.

As parents, it was heartbreaking to watch, and every night felt like we were on high alert, constantly worried about him.

Over-the-counter products, no matter how well-rated or famous, were useless.

Dermatologists jokingly told us to "live dirtier" because Sunwoo's skin was "too clean," and they even suggested avoiding water.

Prescription treatments contained steroids, which we wanted to avoid using on a child.

No matter how much time passed, this never became something we could get used to—it was always distressing.

We wished we could suffer in his place, but there was nothing we could do.

Then, one day, after a shower, while applying moisturizer, I suddenly remembered the emergency ointment that Uncle had sent us.

Since it contained oil, I thought it might help with moisture retention, so I applied it all over his body.

Honestly, I just wanted to coat his entire body in oil.

And then, within just a few days, his skin started changing.

The fact that our child could finally sleep through the night without scratching—this gave us peace of mind beyond words.

Later, Uncle sent us another version with lavender scent.

We didn't even use up two full bottles before Sunwoo's condition improved to the point where we no longer had to worry.

Even now, years later, his skin still gets a bit dry, and sometimes small spots appear after swimming, but they disappear quickly.

Most importantly, he no longer stays up at night scratching or wakes up with bloodied skin.

I've shared this unbelievable experience with many people, and those who witnessed Sunwoo's struggles firsthand—his swim instructors, our friends—can all testify to this transformation.

If you ever need witnesses, just let us know.

Thank you so much, Uncle!

Sincerely,  
Jung-Joo

Dear Mr. Moon,

I've been using your product on my feet and my hands for about one month now, and I've been very impressed! I've had problems with my feet for over 20 years now, and none of the other products I've tried worked. But when I used your cream, I could feel a difference immediately. There seems to be better circulation in my feet, the skin feels tighter, and the problems I've had are nearly gone! I can't thank you enough, I love your product!

Yours sincerely,
